

JOIN MINDSIGHT IN SUPPORTING OUR MENTAL HEALTH INITIATIVE!

Mindsight has a massive Mental Health Initiative on the books during the months of April, May, and June! We were selected by the Prevent Child Abuse Kentucky council and awarded a grant to help plan an awareness event! We chose to host a Pinwheels for Prevention Block Party with live music, approximately 35 vendors, and tons of family friendly activities! Over the next three months we will be using any proceeds from our Mindsight shirts to fund this initiative and reach as many individuals as possible to raise awareness and promote good mental health.
